### Peer to Peer

I am excited to announce that our first Peer to Peer class has been scheduled and it will be held right after the March Guild Meeting. Our own Teddie Broughton will be teaching how to make her Jelly Roll Rugs! If you would like to take this class please make sure you sign up so that we know how many will be attending. Please contact me if you have any questions or wish to sign up. Here is what you need to know before March!

#### Supplies

1 jelly roll (40-42 2 1/2" x 42" x strips)  
Jeans sewing machine needle  
1 large spool of thread  
4-5 bobbins prewound  
Best Press or other starch  
Walking foot for your machine  
Batting strips that are cut into 2 1/2" wide (I will bring some batting scraps that you can cut if you want to)

Before the first class you will need to sew the fabric strips together by mitering, then trim the strips and press the seams open. This strip will be about 50 yards long. Accordion fold the strip at about 12" increments. Tie loosely at each end near the folds with a strip of fabric. Place in a paper bag.

We will start placing the batting in the strips on the first day and rolling it into a ball. If we don't finish you may finish this step at home.

**Donna Bratton, Peer to Peer Coordinator**
