

NEEDLES AND THREAD

June 2021

Barb's Bits and Pieces

Looking forward to our meeting IN PERSON in June! So frustrating that May's in person guild meeting did not happen, but some important decisions were made. Hope to see many of you at Sew Bee on the 4th Thursday in May.

With all these changes around us and the gloomy weather we have been experiencing, some may be a bit grumpy. I'm sure I have from time to time! Be the reason someone smiles today!

Barbara

Sew and Share

We are all so excited to start our monthly meetings back up! Since it has been awhile since we last met in order to make sure we don't have hours of Sew and Share. we are asking that members only bring **ONE** item to share! In addition, in order to catch up we are asking that only members with the last name beginning with the letters A—L share at the June meeting. In July we will get everyone with the last name beginning with the letter M—Z.

Thank you for your understanding!

MINI GROUPS

Mini Groups are small groups led by members that focuses on a technique or specific aspects of quilting. Several of our mini groups (refer to page 5 for a description of the groups) have room. If you would like to participate in a mini group please contact the group coordinator.

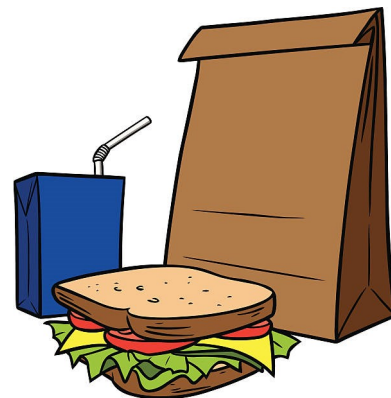

Hospitality

Although we are back to meeting in person we are not providing and refreshment service at this point. Please bring with you any snacks or drinks you may need for the meeting.

The Church has asked that we continue to wear our masks while in their facility.

In addition, we will attempt to ZOOM our Guild meeting for those members who are not planning on coming to the June meeting. You will receive a link by email prior to the meeting. Please bare with us as this will be our first attempt to ZOOM from the church!

NORTHLAND QUILTER'S GUILD

Minutes of May 13, 2021 General Meeting

The meeting was called to order by president Barbara Laxson. She welcomed members to the zoom meeting.

Minutes/Treasurer's Report: The Treasurer's report printed in the last newsletter was approved by the members. The minutes from the April meeting as printed in the last newsletter was approved by members.

Old Business: The Global Quilt Connection Sampler Platter via zoom is May 22 and 23. Teachers for the KCRQF will give 15-minute presentations about their classes with demos, tips & techniques, etc. These are top notch speakers and the presentations will help you decide if you are interested in their class. There are still openings for some classes. The guild purchased a number of admissions to the zoom presentations and there are still openings. JoAnn Borchelt is coordinating this.

Our meeting room at the church has now been re-opened to our group. When we resume meeting, the tables and chairs will be sanitized, we will only seat individuals on one side of the tables and no food/drinks will be provided. Member with last names A – L may bring one quilt to show as well as those who will be giving their quilt away prior to the July meeting. We will continue to zoom the in-person meetings for those not attending provided we are able to connect to the church internet service. Members voted on 1. Whether the guild should resume in-person monthly meetings at the church in June and 2. Whether Sewing Bee should resume at the church this month. Both votes passed to resume meetings at the church. Donna Brattin asked that officers verify that the church will be available after guild meetings for afternoon demo's by members. Barbara Laxson will verify that the room is reserved on Sewing Bee days until 8:00 p.m. for quilt show meetings.

Silent Auction Donations Needed

Silent Auction for the Quilt Show

The proceeds of the Silent Auction will go to the Veterans Community Project. This charity was chosen for last year and since we did not have a show we have agreed that they should receive the money.

1. NO BASKETS this year
2. Minis, wall hangings, table toppers and baby quilts will be accepted. There are no size requirements. Holiday items seem to sell very well.
3. At our guild meetings we will only be awarding 3 ribbons for all categories combined.
4. Be thinking about a "Buy It Now" price for your item. We will ask you what you think it is worth.
5. Attach a label to the back stating the name of the item, your name and the year.

We will begin collecting your items at the June guild meeting.
