## Barb's Bits and Pieces

Quilt Inspiration - where do you find yours? My husband and I were at the Nelson Atkins Museum last weekend and I found inspiration in some floor tile! Of course, there was lots of other inspiration there too, but it just goes to show inspiration is everywhere, including otherwise ordinary floor tiles. And in the contemporary arts section, we found 2 quilts!

Our quilt show is coming up quickly and I'm anxious to see and be inspired by all your quilts too!
